Job Type:	Freelance (Associate Agreement)

BUILDING SKILLS, DELIVERING SOCIAL VALUE FOR BETTER LIVING

Langley Training Services Ltd (LTS), a Social Enterprise Company offers a range of qualifications from apprenticeships and continuous professional development to Health & Safety and green infrastructure courses.

At Langley, training is key part of our culture. It is more than just up-skilling the next generation, and continuous professional development. It is also about delivering social value, improving lives through better careers.

In our SPIRE Values 'P' stands for Purpose: "We are a people business, where everyone should feel a sense of achievement and fulfilment, through respect, fairness, equal opportunity and growth."

This is reflected in our approach to Training. LTS is here to support our internal employees as well as external individuals, organisations, and wider community.

We are committed to providing a unique breadth and depth of training, which is upskilling our industry, supporting social objectives, and making a genuine difference to people.

As well as CPD we can offer professional qualifications, apprenticeships, and bespoke training programmes.

We are looking to engage with fully accredited Construction and Roofing NVQ Assessors, who have demonstrable experience in delivering and assessing high-quality NVQs to levels 2 and 6 with excellent achievement rates and satisfaction rates.

Qualification portfolio

- Level 2 NVQ Waterproof Membrane Installer – Reinforced Bitumen Membrane Roofing
- Level 2 NVQ Waterproof Membrane Installer – Liquid Applied Membrane Roofing Systems
- Level 2 NVQ Insulation and Building Treatments- (various insulation pathways) – Warm/Cold Roof Insulation

Experience of NVQ delivery that meets government standards would be advantageous to support the growth and sector skills requirements.

The Assessor will need to demonstrate robust approaches to delivery, facilitated through attending site /remote assessment practices as well as adhering to the government expectations to monitor all aspects of the learning cycle to develop learners effectively.

The role would suit a freelance assessor who wishes to widen their portfolio of learners with an organisation with an excellent reputation.

You will be involved in all aspects of the NVQ delivery including carrying out assessments and liaising with the wider delivery team to maximise completions.

Key Accountabilities:

To ensure that learning outcomes are met in accordance with the awarding bodies' assessment criteria

To ensure that learners' personal development, behaviours, and attitudes are developed.

To ensure effective development of the learner's portfolio to demonstrate competencies against the learning outcomes.

To ensure that minimum guided learning hours are delivered.

To ensure achievement, retention rates are above 90%

To assess units in a work environment through a range of delivery techniques and methods
