

New Build Area Manager | **Langley Waterproofing Systems Ltd**

We're looking for a New Build Area Manager to join our New Build division.

Salary: Attractive + Commission + Company Benefits + EV Company Vehicle

Location: South

Contract Basis: Full-Time, Permanent

Our Mission

Our industry-leading people, systems, and services promote trust and peace of mind. We use our expertise to design, install and construct sustainable solutions with environmental, social, and economic benefits.

Our Vision

Innovation for better living.

Job Purpose:

To generate specification and project opportunities through existing and new client bases within your given geographical area or area of responsibility. To achieve and, if possible, exceed your annual sales targets set by the Company. Develop and maintain positive day-to-day relationships with existing and new clients including contractors and internal colleagues to ensure that outstanding service is provided.

Key Accountabilities:

- To achieve pre-agreed sales targets of Langley Roofing Solutions products. This is to be done by gaining specifications with specifying organisations and owners/clients and feeding back as opportunities to our specialist contractor network.
- To identify potential new specialist contractor customers and provide the needed sales and training support to develop them into a 'buying customer'. At the same time maximizing the potential of the existing customer base, both specifier and contractor.
- To promote new product introductions in line with the presented long-term business plan and strategy as and when instructed.
- Carry out technical CPD/seminars to actively promote our range of solutions. This is to be done at a frequency as stated in the sales plan.
- Maintain accurate records on Langley's key reporting CRM tool. Entries to be accurate and complete so that when unavailable other members of the team can establish the current situation of an opportunity. All trackable opportunities are to be entered. Status, probability, and dates to be maintained to enable accurate forecast information to be produced.
- Liaise fully with the Refurbishment team ensuring the maximum probability of success for all New/Refurbishment key projects.

- To promote and identify opportunities for Group companies including Langley Eco Solutions and Training opportunities.
- To assist the marketing team with project case studies. Further, assist the marketing and technical teams where required from time to time.
- Provide support to the Accounts team, Technical and Customer Services departments as well as any other area of the business when required.
- Be up to date on all competitor activity within the area and report any significant events/situations to the wider Langley team.

The above list is not exclusive or exhaustive; post holders are expected to be professional, cooperative, and flexible in line with the needs of the post, department, and the needs of the Company.

As a Langley employee, you will be expected to:

- Embrace, champion, and lead the industry by torch-bearing our company values: SPIRE.
