

Christmas Lunch Volunteering

Long Buckby Greenhill Court Residences

Christmas Lunch

Leading up to Christmas, twelve of our Langley staff had the fantastic opportunity to volunteer at elderly residences for their Christmas Lunches. We partnered with Daventry Volunteer Centre and Happy@Home to ensure that we could support the initiative in the best way possible.

The first event occurred on the 11th of December, in Long Buckby Greenhill Court residences. Five members of staff volunteered to serve Christmas dinners, help in the kitchen, decorate the space, and spend quality time with the residents.

On the 12th of December, eight volunteered more locally in Daventry, Warwick Court. This activity included serving Christmas dinners, sing-a-longs, buying gifts and hosting a raffle event, providing Christmas decorations created by our colleagues and their families, and hiring the man himself, SANTA!

We could not be prouder of the Langley team for getting involved, using their social value days, and showing their support for local community initiatives such as these. Not only does this support better living and commitment to improve people's lives but also works to improve our own individual physical and mental well-being.

“I have always wanted to do something like this and just from this one experience, witnessing the joy and happiness it can bring, I would love to do it again and again.”

Langley Colleague

“Thank you so much to the AMAZING team at Langley, who supported us with our Christmas events at Warwick Court and Greenhill Court.”

Daventry Volunteer Centre – Happy@Home

“We had such an amazing day. It was so lovely to see everyone's smiles lighting up the room!”

Warwick Court Resident

“What fun we've had! The Christmas sing-a-long and presents from Santa were real highlights.”

Warwick Court Resident

“Those new volunteers were brilliant.”
